

**CENTER OF INTEGRATED HEALTH TECHNOLOGIES (SSI) "SPHERE" &
NSEWA - NOOSPHERIC SPIRITUAL AND ECOLOGICAL WORLD ASSEMBLY**

PROGRAM

2nd INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

Moscow, November 25-26, 2017

**“THEORY OF TIME ASTROPHYSICS NA KOZYREVA
AND INTERACTION WITH THE INFORMATION SPACE”**

November 25, 2017 (from 10 am to 7 pm)

9.30 - 10.00 Registration of participants and guests

10.00 **Opening of the conference. Video greetings of foreign organizations.**

PRESENTATIONS:

1. GORDINA Lyubov Sergeevna - Ph.D., President of the Noospheric Spiritual and Ecological Assembly of the World, Ph.D., Honored Worker of Culture of Russia. "Noosphere, Russian cosmism and Noo-Constitution."

2. PRAVDIVTSEV Vitaly Leonidovich, Candidate of Technical Sciences, scientific supervisor of the Tsioltov Institute "Sfera". "Theory of Time NA Kozyrev and ancient Indian philosophy."

3. GEVORKYAN Vazgen GAMLETOVICH, GEVORKYAN Elena Ivanovna - independent researchers (Armenia, Yerevan), "The lost knowledge of the ancients. Secrets of Time. " (Based on the results of joint Russian-Armenian studies).

4. SARKISYAN Rafik Shavarshevich - doctor of biological sciences, professor, head of the laboratory of integrative biology, Institute of Physiology im. acad. LA Orbeli of the National Academy of Sciences of the Republic of Armenia. (Yerevan). "New instrumental approaches to the study of distant information flows." (Based on the results of joint Russian-Armenian studies).

5. KAMENEV Agintai Akhmetovich, Corresponding Member. International Economic Academy of Eurasia (Kazakhstan, Astana). "On the issue of increasing the effectiveness of information interaction in the matrix of the Man-State-Universe".

6. KRUGLOVA Larisa Vladimirovna, Ph.D., head of the section "Biofield problems" of the MNTORES them. A.S. Popova "Biofield as a factor of objectivization of a person's psychophysiological state".

7. LASKAVY Vladislav Nikolayevich - D.Veterin.N., Honored Veterinary Doctor of Russia, Academician of the Academy of Food Security, Director of Science, Research Institute of Medical-Veterinary Biotechnology (Saratov), biologist; TERESHINA Elena Vladimirovna - Doctor of Biological Sciences, Professor, Chief Scientific Officer, Research Institute of Medical and Veterinary Biotechnologies (Moscow). "Information aspects of metabolism in humans and animals".

8. **STEPANOV Alexander Mikhailovich, MD**, Academician of the Russian Academy of Natural Sciences, Shapovalov Dmitry Svyatoslavovich, Ph.D., LLC Noosphere. "Consciousness as a factor of time mapping in physical processes."

9. **STASIV Verona Arkadevna**, Director General of the Sfera Center. "Experience of application of bioinformation harmonizers (BIG) on the basis of Kozyrev-Kaznacheeva Mirror for harmonization of the human body and its interaction with the Information Space".

10. **HALVASHI Oksana Valerianovna**, k.psihol. Sci., clinical psychologist. Corresponding member of the International Academy of Psychological Sciences, teacher of the Russian Academy of Sciences. Scientific and Methodological Center for the Restoration of Man (Moscow). "Experience in the use of bioinformation harmonizers (BIG) on the basis of Kozyrev-Kaznacheeva mirrors in the psychology of conflicts".

11. **KOYKINA Olga Ivanovna**, MD, neurophysiologist. Head of the Center for Consciousness Research (ZIS, Zelenograd). "Energy Structure of the Body and Resonant Interactions in Mirrors of Kozyrev-Kaznacheeva".

12. **TIMOSHENKO'S Nina Valentinovna**. Clinical psychologist, specialist in the field of GDV bioelectrography and GDV-diagnostics. Pravdivtsev Vitaly Leonidovich, Candidate of Technical Sciences, scientific supervisor of the Tsiolt Institute "Sfera". "Use of the hardware-software complex GDV-Compact to assess the energy-information impact of the internal space of the Kozyrev-Kaznacheeva mirrors."

13. **PERSHIN Ivan Mitrofanovich**, Doctor of Technical Sciences, Professor of the North Caucasus Federal University (SKFU); **VORONIN Alexey Y.**, candidate of technical sciences, associate professor of SKFU; **UTKIN Vladimir Aleksandrovich**, MD, prof. SKFU. "Systems for processing distributed information."

14. **LEMTYUGIN Alexander Ivanovich**, leading engineer-technologist, All-Russia Research Institute of Food Biotechnology, Rosselkhozakademii. "Influence of the space of mirrors Kozyrev-Kaznacheeva on the properties of water."

15. **KOLTOVOY Nikolay Alekseevich**, Candidate of Physical and Mathematical Sciences. "Features of various designs of mirrors Kozyrev-Kaznacheeva and measurement of their characteristics."

16. **YASHKARDIN Vladimir Leonidovich**, radio engineer, employee of the Quartz Resonator Plant of JSC Morion (St. Petersburg). "Noosphere of spatio-temporal energy interactions".

November 26, 2017 (from 11 am to 7 pm)

Practical part for participants of the conference (on individual invitations):

- acquaintance with the equipment of the Center of Integral Health-Improving Technologies (SSI) "Sfera" and the Laboratory of Integrated Bioinformational Technologies (LIBIT);
- carrying out experiments using various Bioinformational harmonizers (BIG) on the basis of Kozyrev-Kaznacheeva Mirrors and hardware-software diagnostic complexes (AIC);
- for those who wish - sessions in the BIG.
